

Yahuwah Has Triumphed

David L. Martin

Verse 1

When I'm alone and my enemies they mock me
When my strength is gone and they prey upon my life
Come to my aide and rescue me save me from their plans
I call upon the Name that rescues all

Yeshua! Yeshua! Yeshua!

Verse 2

There comes a time when my strength alone fails me
When I'm overwhelmed like I'm drowning in rough seas
Come to my aide and rescue me, save me from their plans
My very soul is held within Your Hands!
